Price update to your Sage Subscription

Dear Stuart,

From July 2024, we are increasing the price of your current monthly Sage subscription of Payroll 5 £7.5 + VAT to £10 + VAT. This is to allow us to continue to bring [product enhancements](#), member benefits, performance, and security, based on our members' feedback.

There is no need to take any action. We will automatically update your subscription, and this will be reflected on your upcoming invoice, which you can access through [your account](#).

Thank you for being a member of Sage, we are always here to help. If you want to learn how to manage your subscription or if you need to get in touch with us, please visit our [help website](#) for more information.
