Dear all,

Please find attached the information relating to the forthcoming meeting, which for councillors and members of the public wishing to contribute, will be held at St James Church Hall. Parish Councillors must physically attend to contribute.

Please be advised the online agenda contains active hyperlinks to information relevant to agenda items.

*** All documents relevant to the meeting for parish councillors are uploaded to the meeting calendar on the parish council website (www.huncote-pc.gov.uk/council-meetings.html) under the meeting date. Only some of the documents are publicly visible. Members will need to first log in, in the top right-hand corner of the site, before navigating to the meetings calendar, to be able to see all of the documents. Please let me know if you cannot remember your login details, and I can reset them for you.

If anyone requires any printed details which have been emailed to them or are on the website, please let me know and I will provide these for you at my earliest opportunity before the meeting.

If you feel you would benefit from a tutorial in logging into and using either the parish council website as a Councillor rather than just as a member of the public, please let me know and I can run through this with you.

As always, in line with the law laid out in the Local Government Act 1972 and its amendment in 2000, **any issue that is not described in the agenda cannot be raised and no decisions can be made or acted upon by the Council.** This includes if parishioners contact Councillors and ask them to discuss something at the parish council meeting. Parish Councillors are legally not permitted to raise items under parishioners' time and must add items to the agenda for discussion. So, if Councillors do have something they would like to raise at the meeting, please contact me or leave a voicemail/email **before 8:00 pm on Sunday 28th July 2024** to allow time for me to update the agenda and post a new notice.

Yours sincerely
