

## Section 3 - External Auditor Report and Certificate 2023/24

In respect of

Huncote Parish Council

### 1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

### 2 External auditor limited assurance opinion 2023/24

Except for the matters report below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

We identified during our review of the Annual Governance and Accountability Return that Boxes 3, 6, 7 and 8 of the prior year column (2023) on Section 2 - Accounting Statements did not agree to the figures provided on the 2022-23 form. We note that these amendments relate to the adjustments made for the LAMP investment however the column has not been marked as 'Restated' to bring it to the attention of the reader. This is a breach of proper practices and as a similar point regarding how to mark restatements was made on the 2022-23 External Auditor Report, we would have expected a 'No' response to have been provided at Assertion 7 on the 2023-24 Annual Governance Statement. In addition to this, the LAMP investment is required to be included within Box 9 of Section 2 which appears to be the case however due to the investment being made in 2020/21 we would have expected all adjustments to have been made within the Box 1 figure of 2023. Therefore, we also expected a 'No' response to Assertion 1. From the information provided, we don't anticipate these restatements to be required moving forwards.

Other matters not affecting our opinion which we draw to the attention of the authority:

The Council left a significant time period between approval of the Annual Governance and Accountability Return and the commencement of the Public Rights Period. The Audit and Accounts Regulations 2015, section 12 (3)(a) and proper practices require that following approval of the Return, the Public Rights Period should commence as soon as is reasonably practicable when taking into consideration the mandatory inclusion of the first 10 working days of July.

Insufficient information was provided with the initial supporting data submitted for review with regards to significant variances, which was later provided on request. The Parish Council should in future ensure that all the necessary supporting information is provided with their annual submission.

Incomplete information was provided with the initial supporting data submitted for review with regards to the level of reserves held by the Council, which was later provided on request. The Parish Council should in future ensure that reserves levels are considered thoroughly, and explanations provided with the AGAR when submitted to the external auditor.

### 3 External auditor certificate 2023/24

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2024.
