Dear Sir or Madam,

**NOTIFICATION OF EXTENTION OF
ESSENTIAL MAINTENANCE WORKS
M69 Eastbound – M69 junction 1 to M1 junction 21**

I'm writing to let you know that we'll be carrying out essential maintenance works on the M69 Eastbound from M69 junction 1 to M1 junction 21.

These works will take place between **8pm** and **6am**, **Thursday 15th January 2025** and **Friday 16th January 2025**.

During this period, we will be undertaking the following activities:

- Installation of one set of loops
- Completion of road lining
- Installation of a High Friction Surface

Please note that all planned works may be subject to change due to weather conditions or unforeseen circumstances.

How will the work affect traffic?

To keep our programme for these works as short as possible and to minimise disruption to the local community, residents, businesses and road users, we'll be working under a full eastbound carriageway closure.

During these closures fully signed diversion routes will be in place, which have been agreed with the local authority.

How will the work affect businesses and residents?

We'll make sure that access to businesses and residences is maintained wherever possible.

We apologise for any inconvenience caused and will do our very best to complete the work as quickly as possible, keeping disturbances and noise to a minimum.
